# Few Attend Annual Ratepayers' Meeting

Some 30 ratepayers attending the County of Parkland Annual Meeting of Electors April 15 in Drayton Valley moved to support the MEETA program and urge its continuance as a pilot project.

Mrs. C. Woods made the motion following discussion concerning the future of the educational television program during the school affairs portion of the meeting.

Assistant Superintendent of Schools (Curriculum) Alvin Myhre pointed out that, through a recent study of the program, it became apparent that MEETA faces difficulties -- there is a possibility that Edmonton may withdraw, and there is a possibility of loss of contract with CBC for channel 11.

No other motions came out of the school affairs discussion, although questions concerning the teachers' salaries and high cost of textbooks were raised.

One ratepayer felt that teachers' salaries are increasing more rapidly than the cost of living index.

However, Superintendent of Schools M. Holman pointed out that the salaries shown in the report reflect the qualifications and the number of teachers, as well as the increase in student populations.

Superintendent Holman's report revealed that school enrolment is increasing in major centres and declining in minor centres; however, overall enrolment is steadily on the rise.

As a result school construction has been very active, with two new schools completed in the last year, an addition made to the Industrial Arts Building in Drayton Valley, two additions underway at Spruce Grove and Winterburn, and three more schools in the making at Stony Plain and Spruce Grove.

Busing has increased five per cent over the previous year, with school buses in the county carrying 90.2 per cent of the rated bus capacity. Two buses were added to the Stony Plain and Spruce Grove routes, allowing a total of 3,627 students to be transported to school. This represents over half of the total student enrolment.

The county has implemented a comprehensive preventive maintenance program in answer to the heating, electrical and mechanical problems in the schools. Superintendent Holman said the program has already resulted in a decrease in the number of emergency calls.

Statement of Revenue and Expenditure of the School Committee showed a surplus of $62,655 for the year, with the greatest expenditure in instructional staff salaries, and the greatest revenue in the school foundation program.

In School Committee Chairman George Mann's report, he pointed out that the county is now making schools available to the community at large, in order to minimize rising cost.

# Drayton Valley on Tourist Route?

Drayton Valley to become a tourist centre? It is possible that some growth in this area may be expected.

According to some evidence recently uncovered by the local gas stations, motels and hotel, more travellers appear to be using the highway between No 2 and No. 16 as a short cut.

Drayton Valley being the only major town on the route, it may be possible that businesses such as accomodations, gas stations and cafes will see increased use by such travellers.

As hotel manager, Mike Karbovanec suggested, the route offers a shortcut to travellers who would normally have to go up Highway 2, and through Edmonton to get on the Yellowhead Route. He said that, through talking to guests, some have found the route to be more scenic as well as more convenient.

The town has noticed licence plates on cars show that travellers seem to be using this highway more often. Town Secretary-Treasurer Bill Johanneson said that this is to be expected since the highway is paved all the way now.

Motels, however, haven't noticed much increase. They explained that most of their business comes from salesmen, and wedding parties, a few truckers, and curlers. They said that they do not seem to get many holidayers, but that more may be noticeable this summer.

"I firmly believe that the route could be quite popular," said the Drayton Valley Hotel manager. "I hope that we can get some provincial help in this," he said, "by getting the route into the tourist brochures."

He also said that the travellers he had spoken to had found the traffic to be less heavy and, therefore, driving to be more pleasurable.

Truckers have also apparently found the short-cut more desirable - especially on trips from the Rimbey - Red Deer region to the northern points of Alberta and B. C.

Perhaps, then, it could be concluded that Drayton Valley, or at least, the highway it's on, will become somewhat of a tourist attraction and a well-used trucking route.

# Selected Cattle Sale Saturday

Some 50 bulls and females will be shown at the first annual Bull and Female Selected Sale sponsored by the Drayton Valley Beef Breeders Association on Saturday, April 22nd.

The parade of the animals will begin at Sekura Auctions (1/2 mile south of Drayton Valley) at 12:30 p.m., with the sale at 1:00 p.m. Jack Kerns of the Alberta Department of Agriculture will be assisting the selection of the sale animals. Twenty females and 30 bulls of Angus, Charolais, Hereford and Shorthorn breeding will be offered for sale.

Lunch will be served by the Drayton Valley 4-H Club.

# Treatment Plant To Cost $200,000. Over Estimate

The proposed Water Treatment Plant, River Intake and Desilting Pond, and Intake Pumphouse for the Town of Drayton Valley will cost $205,227 over the original estimate of $261,700, Associated Engineering representatives told Town Council at its regular meeting April 13th.

According to the five bids received for the tender, the plant could not be built for less than $319,000. All bids were very close, with only a three percent difference between high and low.

Professional engineers of Associated Engineering Services Ltd. of Edmonton broke down costs as: $11,737 for desilting pond (has already been incurred); $21,256 for river intake; $319,963 for Water Treatment Plant (exclusive of clarifier and filters); $49,831 for clarifiers and filters; $7,140 for gas supply line; $2,000 for land; and $55,000 for engineering fees. Total actual cost now stands at $466,927.

To compensate for the almost double increase in costs, town council gave first reading to a by-law seeking an additional borrowing of debentures of $205,227. The request for additional borrowing now requires the approval of the local Authorities Board.

Town officials now say that water rates will have to be increased to allow for the higher-than-expected costs.

Drayton Valley townpeople now average 300 gallons of water per minute, but the new plant would allow for 500 - 720 gallons per minute. Engineers feel that the increase would prove its value when peak times occur, since national averages show that citizens use 2 1/2 times more water during peak times than during the average season.

Stage one of the project, the laying of the pipeline, amounted to $186,027. The borrowing of the extra $205,227 is now necessary to complete stage two on the west bank of the North Saskatchewan River immediately east of the town.

# Start Planning For Annual Walk

Preliminary planning for this year's annual walk-a-thon is presently underway with the walk tentatively scheduled for the latter part of May.

At a meeting last Monday evening a new executive was named to guide this year's event. New chairman is Jerry Donovan, vice-chairman Dick Buday, and secretary-treasurer Mrs. Del Ball. Remainder of the walk committee is made up of representatives from various local clubs.

A Board of Trustees has also been proposed with representation from Town Council, the Drayton Valley Ministerial Association, and the previous executive.

In the matter of representation, it was pointed out at Monday's meeting, that other clubs not presently represented are welcome to become part of the organization.

Included in the business of the first meeting was a draft of the constitution and considerable discussion of a possible change in name. Proposed name is the "Drayton Valley March for Community Betterment."

The march in the past has gone under the "Miles for Millions" banner but consensus of the meeting was that more emphasis on community involvement might attract more adult walkers who could raise the pledge total.

As one means of obtaining more adults a proposal was advanced for a competition among service clubs to vie for the best revenue miles with three-member teams. The committee is hopeful that clubs will enter the spirit of the undertaking with friendly inter-club rivalry in competition for the "worn-out sneaker" trophy.

The committee has announced that it is wide open for suggestions on all aspects of the march including the disbursement of funds.

Next meeting will be held at 8:00 p.m. on Monday, April 24th in the Town Administration Building.

# Agriculturist To be Placed At Drayton

At the annual meeting of county ratepayers last Saturday, M.L.A Rusty Zander announced government plans for the placing of a District Agriculturist in the town of Drayton Valley.

Mr. Zander explained that people living in the western parts of Parkland, Leduc and Wetaskiwin Counties were some distance from established D.A. offices and the new appointment is being made with a view to increasing service in the area.

A D.A. will also be established in the town of Rimbey.

# Edson Selected For P.M.'s Visit

Prime Minister Trudeau is scheduled to appear at a public meeting in Edson on Thursday evening, April 27th at 8:00 p.m. in the Parkland Composite High School Auditorium.

The meeting will take the form of a question and answer session with an opportunity for all to meet and question the Prime Minister. He will be accompanied by Mr. Allen Sulatycky, M.P. for Rocky Mountain.

Drayton Valley and district residents wishing to attend the meeting may contact Mrs. J. McLean at 542-3073 concerning arrangements for pooling transportation.

# Cancer Blitz April 17 - 22

Drayton Valley residents are reminded of the campaign this week for contributions to the Canadian Cancer Society.

The week of April 17 to 22 has been set for a blitz effort with a number of volunteers covering the town on a door to door basis.

This year's campaign is chaired by Mrs. Maga Telford. Anyone who is missed by the canvassers and would like to contribute should contact Mrs. Telford.

2014.18.27

# RECREATION ROUND-UP

LADIES' KEEP FIT

Will now be cancelled until next fall.

GIRL'S GYNMASTICS

The girls that went to Edmonton to compete in the Northern Regionals were Debbie Daviduk, Beverly Wasyk, Brenda Moody, Audrey Schmidt, Marlene Daviduk and Toni Schmidt. It was a very competitive meet with the Edmonton gym club taking top honors. Wait until next year girls.

ADULT BADMINTON

The last night will be April 24th.

LADIES' DAY OUT

The program will be Landscaping and gardening with Fred Magera as speaker. The ladies will go to the Anglican Church Parish Hall and the children the regular place in the basement of Town Hall. 1:00 - 3:30 p.m. on Wednesday, April 19th. 50¢ per adult and 25¢ if you will be using the nursery. See you all on Wednesday.

When you donate blood to the Canadian Red Cross you give about a pint—less than one fifteenth of the average body's blood content. The plasma portion of the blood is replaced within 24 hours.

# Few Attend Annual Meet

Cont. from Page 1

MUNICIPAL AFFAIRS

Only two motions came out of the afternoon municipal affairs discussions, both relatively minor.

One, concerning the payment of old I.D. 77's yearly deficit share in the Drayton Valley Civic Centre, called for the County to now pay the old I.D.'s one third share. (The I.D. is now part of the County).

The I.D. had originally raised over $70,000 to pay one third the cost of the building of the civic centre. And, apparently a gentlemen's agreement had been made whereby the I.D. would annually share the cost of maintenance of the centre. However, the I.D. became a part of the county, and county officials would not pay the share until some legal evidence was brought forward to show that this agreement had been made.

Ratepayers from the old I.D. felt they would lose their share in the centre if something was not done to make payments for the yearly deficits, and thus the motion was brought about.

The second motion resulted from discussion over recreational monies. It was felt that it would be beneficial to the ratepayers if a recreation financial statement was included in the annual report. Therefore, a condensed recreation report will be attached to the annual booklet in future.

Reeve Les Miller said in his report that the county was able to operate within the budget and to come out with a surplus in the county's operation.

"In view of spiraling costs, and no increase in the mill rate," he said, "I feel that this is a significant achievement. At the same time, services were maintained at the same level and in several areas increased."

"Hopefully," he continued, "we will be able to maintain this policy and again hold the mill rate this year."

He said the assessor's report showed that in spite of losing a considerable area to the City of Edmonton, the assessment should increase nearly $5 million.

"You indicated support of Council's policy of increased maintenance and upgrading of roads." Reeve Miller said, "rather than major rebuilding and we will be basically continuing the same policy."

He pointed out that the county had lost about 9 1/2 square miles and $1 1/2 million in assessment to the city of Edmonton.

"We also lost by agreed annexation to the Town of Drayton Valley 80 acres in the southwest of the Town," he added. "This will allow for the expansion of the Town into that area."

In regards to road upkeep, several ratepayers voiced concern over the Lodgepole road. M.L.A. Rusty Zander said the Councillors of both the Counties of Parkland and Leduc would be taken over the Lodgepole, Cynthia, Genesse and Buck Creek roads to show them exactly how bad the roads are. He estimated the cost of relocation of the Lodgepole road at over $2 million.

During the Agricultural Fieldman's report, Mr. Zander also revealed the move to station a District Agriculturalist on a permanent basis in Drayton Valley. The D.A. would serve the western end of the Counties of Parkland, Leduc and Wetaskiwin.

Municipal Committee's statement of Revenue and Expenditure showed a $98,500 surplus as compared to the previous year's $207,738 surplus.

Some $3,238,292 in taxes were the main source of revenue, with $536,121 additional from contributions, grants and subsidies. Total revenue amounted to over $4 million, with total expenditures coming to $3,988,609.

Major expenditure was education, amounting to $1,556,843, almost equal to the previous year's educational expenditures.

Public Works followed closely in expenditures, amounting over $1,300,000, with Recreation and community service totalling $143,396 and protection totalling over $190,000.

# Students to Perform In Drama Festival

Drama students from Drayton Valley High School, Junior High and St. Anthony's will perform in Drayton Valley April 25th before going on to the North Central Drama Festival at Barrhead.

Directed by Paul Bradley, high school students Debbie Holmer, Sandra Summers (who play the witches), Heather McKenzie and Loretta Marfleet (who play the church women) perform a popular competition play, "To Burn A Witch" by James L. Bray.

A comedy, "Listen Dad", will be acted by junior high students Kim Davidson, Krista Hansen, Polly Dunbar, Linda Parfienuk, David Fraser, Lawrence Strocher, and Wayne Sawyer.

The St. Anthony's students, under the direction of Mrs. Lil Ross in "The Ghost of Pumpkin Hall" are Ray Duperron as Paul, Brenda Harris as Ma, Ron Mayer as Eli, Debbie Palmer as Sadie, Lori Woods as Nellie Ann, Lori Legas as Ginger-Lou, Anna Gautehier as Birdy, Shane Hanson as Oliver and Claire Telford as Skunky.

All three plays will be performed Tuesday, April 25th at 8:00 p.m. at the Junior High School for the public. Tickets are $1.00 for adults and 50 cents for students.

The three groups will then compete in the annual Junior Senior High Drama Festival on April 28th, 29th and 30th. Some 21 plays are intended in the competitions and winners will move on to the provincials at Banff later this year.

# D. V. Highlights

BY MRS. EDITH DEBY

Sorry to hear the Mrs. Robert MacMillan is having a few days in hospital.

The Roy Burrows and Mrs. Pickup are sporting those special tans that go with a stay in Hawaii.

A warm welcome to Dr. and Mrs. Latto who have just come to make their home in our town.

Sympathy goes to Mr. Joseph Rezewski whose father passed away on April 10th.

Janet Edmunds, daughter of Mr. and Mrs. Dudley Edmunds, had the misfortune to injure her knee. Lying in hospital isn't any fun and is particularly distressing at this time of year.

It is a pleasure to see the Rex Burrows back in the country. The Burrows spent the winter in Arizona and judging by his tan Rex must have spent a good deal of time on the golf links.

Congratulations to Mrs. M. Malainey who became a great grandmother when her granddaughter, Mrs. Dennis Schwartz, gave birth to a fine baby boy.

# NOTICE

## RE: West Valley Recreation Park

## Ball Diamond Schedule

All Organizations sponsoring Senior and Minor Baseball and Fastball Teams in Drayton Valley during the 1972 Season and who desire to use the Baseball and Fastball Facilities at the Lions West Valley Recreation Park are requested to contact the Recreation Office to make known their preference of time required on the said diamonds during the coming ball season.

As a result of the requests received, a schedule will be drawn up whereby both diamonds will be used equally by both Senior and Minor Organizations.

After equal distribution of diamond time at the West Valley Park further requested time for Senior Fastball, Girls and Ladies Fastball and Minor Baseball will be scheduled on the available diamonds up town.

POSTAL CODE POSTAL

Geraldine Thomas, 11 years old, won first in English Pleasure Riding and second in Showmanship at the first Easter All-Youth Show and Clinic sponsored by the Junior Quarterhorse Association.

# Local Girl Wins Youth Show Prizes

Eleven-year-old Geraldine Thomas, daughter of Mr. and Mrs. Gordon Thomas of Drayton Valley, placed first in English Pleasure riding and second in Showmanship at Halter at the first Easter All Youth Show and Clinic in Priddis.

Geraldine, competing April 7 and 8 at the Shanboma Stables on her registered quarter horse Paprika Profit, had to ride against nine others in the 13 and under Showmanship, and six others in the 13 and under English Pleasure.

Although Geraldine has ridden ever since the age of six, and has competed and won in gymkhanas for four years, this is the first time she has ridden in such a competition.

She will compete again on May 10 and 13, as well as in five other shows with the Junior Quarter Horse Association of Alberta. Her horse is a three-year-old registered quarter-horse and was broken only last year.

Geraldine enjoys the English riding the most, having taken a few lessons, but mostly self-taught. She plans to do more Western riding and some jumping next year, however.

She hopes to become a school teacher and give English riding lessons someday, but will continue competing as long as she can.

Today's car inspection is tomorrow's protection.

# High School Leadership Program Enjoys Success

With the assistance of the County of Parkland, Mr. R. Woods, principal of the Frank Maddock High School, was able to instigate a high school recreation leadership program in the school last year.

Purpose of the program is to allow students, themselves, to coordinate social and recreational activities within the community.

As one of the original students of the county program pointed out, it developed motivation and leadership techniques in the students.

In its first year in Drayton Valley, some 30 students from the town, Stony Plain and Seba Beach, participated in the October-May program, culminating all their activities in a banquet for parents, guest speakers and students.

"The first year gives a general outlook on the recreational field," said Brenda Streit, one of the first students of the course. "We learn the different ways to spend leisure time, and the course, itself, will be helpful in obtaining related jobs."

A look at the first year program shows that the recreational activities are thoroughly covered. Guest speakers were brought in, under the coordination of Janet Cross of Stony Plain.

Included in the activities were program planning, community music, special community event (the students went to a Senior Citizen's Home, performing for them, and getting them involved), group games, principles of recreation, first aid, crafts, drama, group dynamics, community dancing, public speaking, playground crafts, coaching and officiating, tournament arrangement and leadership.

The students watched the Ross Shepherd High School's program in action one week, took square dancing at Edson, had Cece Armstrong speak to them on coaching and officiating, took public speaking lectures from Jack Boddington, and received such help in many of their other activities.

Now in its second year, under the direction of Rick Simon of Drayton Valley, the students go to Stony Plain every Wednesday for their classes.

There are about nine second year students involved from Drayton Valley this year, and a larger first-year group.

Second-year activities are more individualistic, explained one of the students. For example, they visited the rock collecting club, took square dancing, took a few ceramics lessons.

They have also helped with concessions, ticket sales, and ushering at the Marek Jablonski concert, the gymnastic display, and the Sportsmen's Dinner.

The students plan to get both groups together for a camping trip during a May weekend, and also hope to put on a picnic for the town children.

Most of the students are very enthusiastic about the program, it appeared, and it will certainly prove to be of help in their future careers.

# Gainford News

The Easter Tea in the Gainford Hall on April 1 was not too well attended due to the poor weather. Marcy Millar won the food hamper.

Easter company at the home of the J. Hauser family were the Robert Koehn family of Bonnyville. Gwen stayed on for the rest of the holidays.

Mr. and Mrs. Stan Breland and family of Valleyview and Mr. and Mrs. Armand Turgeon of Grande Prairie were visitors at the home of Mr. and Mrs. Art Williams on the weekend.

While Mr. and Mrs. Harry Clarke went to Valemont, Billy and Darren stayed with the Hausers.

Congratulations to Bud and Eileen Lenz who celebrated their 17th wedding anniversary on April 11th.

Jimmie, Michele and Kelly Greaney spent the remainder of the holidays with their grandparents, Mr. and Mrs. Grant McDougall of Mayerthorpe.

Congratulations go out to Granny Klavansky who will be 73 on April 19.

The James Shannons of Alberta Beach visited with the Jim Browns on April 8.

## Walk-a-thon Suggestions Welcome Now

With planning for the annual walk-a-thon now underway, it's an appropriate time to come forth with suggestions that might improve the event.

Already being discussed elsewhere, and for that matter, suggested here, is the possibility of replacing the lengthy walk with a clean-a-thon. A local observer has noted that if the energy expended by 500 or 600 people walking 25 miles could be harnessed in a cleaning effort it could do wonders for the town.

Clean-a-thons are apparently successful in some communities where organizers provide receptacles and the workers obtain pledges based on volume of litter recovered. Charities still gain funds and the community sparkles for the effort.

With a walk already being organized for this year it's probably more important at this stage to shelve clean-a-thon thoughts for another year and concentrate on making the walk a success.

Success of the walk cannot be assured by the efforts of the committee regardless of the amount of work devoted to that end. To be successful it requires the efforts of a great many residents showing interest and offering ideas.

Your suggestions are welcome, including mechanics of the walk and disbursement of funds. By all means get your ideas to the committee now while the walk is being planned and improvements can still be instituted.

## Report From Parliament Hill

By Allen Sulatycky, M.P.

In recent years a great many important people have become concerned about the human biological environment. This concern is world wide.

No portion of the globe is isolated from the harmful effects of environmental damage in another location. This has been recognized as an international problem by the United Nations. In December 1968 a resolution cosponsored by Canada was passed by the General Assembly of the United Nations authorizing the convening of a large international conference on the environment. The conference, which will attract 1,500 delegates from 110 countries is to be held in Stockholm, Sweden, June 5 to 16, 1972. Its purpose is to adopt a declaration on the human environment and to propose an action plan for the restoration and preservation of a clean, wholesome environment throughout the world.

Canada is playing a very large role in this question. A prominent Canadian, Maurice Strong, has been appointed Secretary General of the Conference. Our country also is one of 27 nations which sit on a planning group for this great international event.

The Secretariat of the Conference has now, prepared a large number of resolutions which will be presented to the Conference for approval. Since the Conference will cover the full range of environmental problems, the resolutions touch on everything from air and water pollution to nuclear testing to the desirability of maintaining strong rural communities.

The draft resolutions and other documents were distributed by the United Nations only in mid-March, thereby allowing participating nations only several weeks in which to consider the position which they will take on the issues before the Conference. Nevertheless the Canadian Government believes that this matter is of such importance that it has decided in the limited time available to seek the advice and opinions of the Canadian public on the environment.

A series of public consultations has been scheduled across the country to provide an opportunity for the public to make known its views on any aspect of the environment.

In order that all public submissions can be used and their contents incorporated in the Canadian position an early deadline had to be set for the conclusion of the consultations and for the receipt of written briefs.

The hearing in Alberta which is second to last in the series will be held in Edmonton on May 3, 1972 at the Edmonton Inn commencing at 2:00 p.m. If you have a point of view on the environment which you believe should be considered this is an opportunity to make your views felt.

In addition to the public consultations, written briefs are also being sought. These need not be elaborate, and may simply be in the form of a letter. Any written brief you may wish to make should be mailed as soon as possible and should be addressed to:

United Nations Conference on
The Human Environment

Ottawa, KIG 3P9

## LEGISLATIVE REPORT

By Kevin Peterson of The Calgary Herald

Agriculture Minister Hugh Horner last week pledged the Conservative government will put the brakes to vast farm conglomerates which squeeze out small producers.

Speaking during consideration of the detailed spending estimates of his department, Dr. Horner said that particularly in egg and poultry marketing family farms are being cut out by the marketing processes that were set up to protect them.

"Vertical integration must be stopped and we will take steps to see existing cases dissolved," the minister said. "The primary producing opportunities should be restricted to our producers - and particularly small producers - here in Alberta."

Dr. Horner has given specific instructions to the egg and poultry marketing boards that existing quotas should be reviewed. The government has also suggested the marketing agencies should consider putting an upper limit on quotas to ensure small operations are not forced out of business.

The minister also reiterated the government's plans to expand its marketing efforts on behalf of Alberta farmers. Increased marketing thrusts are responsible for most of the $4.4 million hike in agriculture spending to $18 million this year.

"We want barriers broken down, we want access to markets not only in Alberta but in Canada and the world," he said.

But the minister warned the campaign for increased markets particularly overseas markets, requires some effort from producers. The most immediate problem is developing a continuity in supply so Alberta can meet export commitments and does not find itself involved in "dumping" procedures where a producer has to make available his products at bargain basement prices.

Dr. Horner also said the Conservative government is committed to keeping operating costs for farmers as low as possible.

Noting that reviews have already been started on how gas and power is distributed, the minister said, "We want to make sure that power, natural gas and telephones are made available to farmers at the lowest cost possible because of the integral production costs in a farm operation."

The three-hour agriculture debate was one of the friendliest the Legislature has witnessed this spring as Socred members generally agreed with the Tory proposals and confined their objections to warnings of pitfalls that might lie ahead.

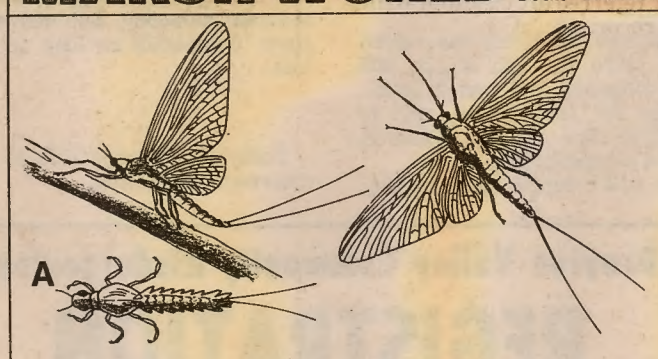
"If we continue with the present trend of marketing boards and quotas we are going to push the farmer against the wall," Socred agriculture critic Leighton Buckwell (SC - MacLeod) said.

"All the money you pour into Alberta farms is not going to save rural Alberta if you don't get the export markets for the production now taking place."

Opposition leader Harry Strom a former agriculture minister, told Dr. Horner to proceed carefully with plans to make operating credit easier for farmers. Mr. Strom said history has shown nothing drives farmers off the land faster than over-extended credit.

## MARSH WORLD

by ANGUS SHORTT
Ducks Unlimited



### MAYFLY

Often called fishfly, this insect occurs in millions in early summer around marshy areas and lake shores. On calm evenings great swarms appear over the water close to shore, here they perform their mating flights. As an aftermath they are washed ashore in windrows. Eggs are deposited in the quiet waters of shallow marshy bays and edges. The flightless nymph stage **(A)** is spent under water, the insect coming to the surface and climbing onto marsh vegetation prior to emerging as a full-winged adult. Mayflies are an important food for fish and are also eaten by waterfowl and other waterbirds.

## LETTERS TO THE EDITOR

Editor,
The Western Review,
Dear Sir:

Spring has sprung in our beautiful town and the cats and the dogs are running around.

On our lawns the dogs went on and left the yeller spots all around.

I don't see why our trees should be a comfort station for our doggies to ("P").

Where is the dog pound in this town that picks up these dogs and cats that are running around.

There should be a law to control these dogs or we'll use a pellet gun on our own front lawn.

Please Keep The Grass Green.

Signed - H. Paley, A. Crough, S. Ellert, and D. Booker.

# Summary Regular Meeting Parkland County Council

Minutes of regular meeting of the Council of the County of Parkland No. 31, held in the County Office at Stony Plain, Alberta on Thursday, April 6. Minutes as recorded by secretary and not yet adopted.

Members present were Reeve Leslie N. Miller, Deputy-Reeve Ivan Vowk, Councillors Jacob W. Fuhr, George Mann, Robert A. Bailey, Maurice McCullagh and Peter Bakker.

The minutes of the last regular meeting held on March 27, copies of which were forwarded to each Councillor, were accepted.

Letter from the Town of Drayton Valley requesting an increase from $500.00 to $700.00 for housing the County Fire Truck was again presented to Council for consideration.

It was agreed that an increase from $500.00 to $700.00 annually be granted to the Towns of Drayton Valley, Stony Plain, Spruce Grove and Village of Entwistle for housing, maintaining and operating County Fire Trucks.

Letter from Mrs. Wm. Dyson on behalf of the residents of Osborne Acres requesting naming of west road to Osborne Acres from Highway No. 16 was referred to Reeve Miller for recommendation.

It was agreed that Council accept the recommendation of Reeve Miller that this road be named "Spruce Valley Road."

EDSON HEALTH UNIT REQUISITION

The above requisition in the amount of $9,758.78 for the 1972/73 year was presented to Council for approval. It was agreed that this requisition be accepted.

Letter from Mr. J. C. McDougall of R. R. 5, Edmonton requesting that steps be taken to eliminate the dangerous intersection on Woodbend Road, one mile east of Highway No. 60 was referred to Councillor Bailey for recommendation.

It was agreed that the Public Works Committee inspect this location and submit a recommendation to Council.

Letter from the Town of Drayton Valley requesting extention of the road eastward along road allowance between Sections 11 & 14-49-7-5 to the river to provide suitable access to water plant being erected at the river was referred to Councillor Vowk for recommendation. No progress reported.

Letter dated March 30, 1972 from Domtar Chemicals Ltd. requesting that the load limit on the Drayton Valley - Lodgepole road be increased to 72,000 lbs. was presented to Council for consideration.

It was agreed that the load limit on this road be not increased at this time.

1971 ARENA DEFICIT

A statement along with supporting documents from the Town of Drayton Valley requesting that the County pay a portion of the 1971 deficit incurred for the Centennial Arena maintenance and operation was presented to Council for consideration.

It was agreed that a Committee consisting of Councillor Maurice McCullagh and Secretary-Treasurer O. W. Schuster be appointed to obtain further information regarding County responsibility in paying a portion of this deficit.

Letter dated February 14, 1972 from Mr. Alex Shillington of R.R. 1, Winterburn requesting to lease the roadway between lots 1 and 2, Plan 5531R.S. in the NW 5-53-26-4 was presented to Council.

It was agreed that this application be approved and the County advertise its intent to lease same.

By-law No. L-3-72 providing for the leasing of Lot R1, Plan 608R.S.(Park Reserve) in the SW 14-53-27-4 to Mr. T. E. L. Jackson of Edmontonfor one year for the rental fee of $25.00 received first, second, and by unanimous consent of the Councillors present a third reading and finally passed.

FIRE CHIEFS ASSOCIATION ANNUAL CONVENTION

Information from Fire Chiefs Association advising that their annual convention will be held in Grande Prairie, June 11-14, 1972 was read to Council

It was agreed that the overall Fire Chief and the Fire Chiefs from the three County Fire Departments be authorized to attend and the County to absorb necessary expenses.

It was agreed that the above membership fee in the amount

# Couple Exchange Vows At United Church

Barb Nyren and Stanley Zaniewicz exchanged wedding vows on Saturday, April 8th at 4:00 p.m. at the United Church in Drayton Valley.

The bride was beautiful in a long white gown of white peau-de-soie, long sleeves, empire waist and trimmed with lace. She also wore a shoulder length veil.

Mrs. Margaret Roberts was Maid-of Honor, Moreen Killick and Kathy Fyten were Bridesmaids and Jill Nyren was flower girl. All four ladies wore gowns of printed mauve material in a A-line style with hoods.

The groom's attendents were Bill Hindzuik, Barry Zane and Alfred Kwasnycia.

The reception and dance were at the Drayton Valley Elks Hall

## Burtonsville News

Recently Rita Mykituk entered the General Hospital for surgery. She is feeling much better now.

On April 5th Bella May Teague and Clarence Zahn were visitors at the home of Mr. and Mrs. Douglas MacDougall. The same day, Doris MacDougall visited Mabel Bryant during the morning and in the afternoon Mr. and Mrs. S. MacDougall and Ken visited the home of Dr. and Mrs. Heater in Drayton Valley. Dr and Mrs. Heater visited the MacDougalls on Easter Monday.

Rev. J. D. Kennedy and Eleanor Tattersall attended the Alcohol and Drug Education Association meeting in Edmonton during the week.

Charlie Bennett joined the MacDougalls for dinner following the morning church service.

Seigrid Greanya presented her husband with a son on April 4th.

Vickie Kennedy, the daughter of Mr. and Mrs. Ross Kennedy of Edmonton, spent the weekend with her grandfather, Rev. J. D. Kennedy.

Be a Cancer Society Volunteer . . . it's an investment in life-saving!

# Regular Meeting County Council

Cont. from Page 5

of $10.00 be approved.

Notice received from the above Association that they have agreed to participate in the Local Authorities Pension Plan was read to Council. It was agreed that participation of the Public Works Employees in the Local Authorities Pension Plan be approved effective April 1, 1972.

An offer from Mr. D. A. Bhandari of Bruderheim, Alberta to lease the E 1/2 30-53-2-5 for the year 1972 for the amount of the annual taxes was presented to Council for consideration. It was agreed that the E 1/2 30-53-2-5 be leased to Mr. D. A. Bhandari for 1972 for the amount of the annual taxes.

APPOINTMENT OF POLICE CONSTABLE

Chief Constable Keith Nicol was present and informed Council that Constable Peter Dziwenko has been cleared with the Attorney Generals Department.

It was agreed that the appointment of Constable Peter Dziwenko be confirmed with date of employment to commence April 17, 1972 as Constable in charge of the Wabamun Detachment.

Further on recommendation of Chief Constable Nicol it was agreed that Mr. Robert C. Elias be appointed as police constable at the Stony Plain Detachment with duties to commence April 10, 1972.

Letter dated April 4, 1972 from Mr. J. McEachran of Edmonton requesting to lease or purchase a portion of the Park Reserve in the SW 17-51-25-4 was presented to Council for consideration.

It was agreed that the County lease that portion as described in Mr. McEachran's letter and as shown on the attached plan at an annual rental of $10.00 and on condition that no buildings be erected thereon.

MOSQUITO CONTROL

Letter dated March 29, 1972 from the Town of Spruce Grove was presented to Council requesting permission from the County to conduct a mosquito control program, by aerial spray, adjacent to the County's boundaries. It was agreed that Council give this permission to the Town of Spruce Grove on the condition that the Town accept full responsibility for any damages that may be caused from the spraying operation.

Proposed grade widening and relocation of flashing light signals on railway crossing between NW 9 and SW 16-53-25-4. Letter dated March 29, 1972 from the Department of Highways and Transport requesting the County to assume additional maintenance costs due to the above proposal was presented to Council for consideration. It was agreed that this request be held in abeyance for further information as to what additional maintenance costs would be involved.

Letter dated March 29, 1972 from Mr. G. J. MacDougall of Entwistle requesting permission to burn an old house on Lot 40, Block 6, Plan 2443A.E., Entwistle and that an open well on this lot be filled in was presented to Council for consideration. It was agreed that this request be referred to Councillor Mann for inspection and recommendation.

HEALTH UNIT BUILDING

Considerable discussion took place regarding the cost of construction and financing of the proposed new Stony Plain-Lac Ste. Anne Health Unit building which is to be build in Stony Plain in 1972.

It was agreed that the cost of construction and financing of the proposed new Stony Plain-Lac Ste. Anne Health Unit building which is to be built in Stony plain in 1972. It was agreed that the cost of construction of this building be taken from County surplus funds.

Letter dated March 22, 1972 from the Provincial Planning Director of the Department of Municipal Affairs concerning surface rights on Park Reserves was discussed by Council. It was agreed that this matter be referred to the County Solicitors for clarification.

A proposal from Coneco Equipment Ltd. of Edmonto to sell to the County one used Gradall at a cost of $9,500.00 was presented to Council.

Upon inspection and recommendation of a Committee appointed to inspect this machine it was agreed that the County purchase One used Warner Swasey Model 2460 Gradall equipped with 56" bucket from Coneco Equipment Ltd. at a cost of $9,500.00.

PROPOSED NUISANCE GROUND

Considerable discussion took place at this time regarding the proposed nuisance ground in the NW 26-51-27-4 and the refusal by the Development Control Officer to grant the County permission to establish this development. It was agreed that Council uphold the decision of the Development Control Officer not to allow the County to establish a nuisance ground in the NW 26-51-27-4.

It was brought to the attention of Council that members representing the County appointed to the Board of the Meridian Foundation should have alternates in the event the regular members would be unable to attend regular meetings.

It was agreed that Councillor McCullagh be appointed as alternate to Councillor Vowk and that Councillor Bakker be appointed as alternate to Councillor Mann.

O. W. SCHUSTER
Secretary-Treasurer
County of Parkland No. 31
Stony Plain, Alberta

# TOWN COUNCIL BRIEFS

Mr. Glen Shannon attended the regular council meeting of March 23rd to put forward his proposal to site his grader services business at the Northwest corner of Pt. NE 17-49-7-W.5 lying adjacent to the north entrance from Highway 57 end on southwest of said entrance. He advised Council of the problems he has had trying to find a site suitable for his business. He also pointed out that the site he has chosen has a water well on it. The site recommended by the Development Committee has already been spoken for by McGregor Salvage and thus is not available. He very much would like to see the Committee and Council review their decision on the original site. The question was referred to Development Committee for further study subsequent to information given by Mr. Shannon relative to committee's recommendations.

Mr. Zubot outlined a recommendation regarding the Summer Temporary Employment Program as arrived at by the committee in their study of the subject. A. B. Zubot moved that the Council approve of the proposal for submission for S.T.E. Program as prepared by the Committee.

Council decided to re-assess the Emergency Measures Organization for Drayton Valley and direct that it be continued on in the light that the Women's Institute have shown such an interest in its continuation and appointed Mrs. S. Mary Burrows of Drayton Valley as coordinator for Emergency Measures Organization.

The Secretary advised that the application for loan of $33,858.00 from A.M.F.C., being balance of $50,000.00 for town share in Joint Community facilities in the New High School has not been approved yet and suggested that the grant of $16,142.00 be forwarded to the County School Committee.

It was decided that the money received from the Recreation Grants Division of the Department of Youth be forwarded to the County of Parkland No. 31 as partial payment of the $50,-000.00 agreement re Joint Facilities in New Senior High School.

Mr. Earl Newans, on behalf of Johnson Realty, advised Council on his proposal to subdivide and have serviced a country residential lots development. It was decided that this application for development be tabled until further information has been procured. Provide alternatives for development costs, responsibilities as to servicing with water, sewer, roads, sidewalks.

Council authorized maintaining the Dial Converter System in the R.C.M.Police local law enforcement as heretofore, in conjunction with the Zenith number system.

The Recreation Director reported on the meetings of the Recreation Board since last Council meeting. He advised that the Figure Skating Club would not be running a Figure Skating School this summer as they had not received sufficient support from figure skaters.

Mr. Helm informed Council of the needs to furnish and equip the Joint Facilities of the New Senior High School so that all functions may be held instead of having to refuse same.

Council accepted the resignation of Bruce Miller, Dog Warden, and will take steps to procure the services of another dog warden.

Council authorized expenditure of up to a further $6,000.00 to furnish and equip the new Senior High School Joint Facilities and that the County be requested to contribute 50% of the outlay of $7,000.00.

Council approved of the reciprocal agreement being proposed for use of facilities under Town jurisdiction and County jurisdiction, and that the Mayor and Secretary-Treasurer be authorized to sign on behalf of the Town.

Council decided that the lots in Block 59 be sold after April 1, 1972, for an additional price of $200.00 thus making the selling prices of Lots 1 and 11 - $2,000. per lot and Lots 13 and 14 - $2,200.00 per lot.

By-Law No. 569, authorizing amending of Zoning and Building By-Law No. 449 be given first reading and directed for advertising as per regulations of The Planning Act.

By-Law No. 570, authorizing the sale of Lot 1, Block 59, Pland 35 TR, to Robert E. Barker was given three readings.

By-Law No. 571, authorizing sale of Lot 5, Block 59, Plan 35TR to Stephen Herold was given three readings

Council set the following policy re the selling of town lots henceforth: All deposits to hold lots for purchase must be at least 10% of price of lot and will remain in force for six months from date of payment of said deposit. Deposits will be forfeited if not exercised in the six month period.

Subdivision application 72-DV-1 re Pt. SE 17-49-7-W.5 approximately 15.47 acres was approved providing that the whole parcel of 15.47 acres be subdivided and that 1.9 acres of this parcel be set aside for Park Reserve or moneys paid to the Town in lieu thereof.

Council returned the decisions re offers to purchase Lot 2, Block 29, back to the Development Board for explanations of why they recommend no R.3 development on this lot and why they recommend re-zoning to C.3.

Council accept the recommendation of the Development Committee regarding application from Ben Herold to move a skid house onto Lot 4, Block 32, in that this application be refused.

## Name Band Committee at Tomahawk

A committee to look into the feasibility of forming a community band was set up at a meeting held in Tomahawk April 11, 1972.

Mr. Overbo was elected chairman of the committee with John Machuk vice-chairman. Other members include Ev. Lukaniuk, Secretary-Treasurer; Frances Piskunowicz and Alma Schadeck members at large.

The committee is interested in hearing from anyone who would like to play in a Tomahawk Community Band. Experienced as well as non-experienced members are needed. Please phone Ev. Lukaniuk at 339-3732 for registration.

The committee is also looking at ways and means to acquire instruments. If there is anyone who has any band instruments that they are not using, would you phone John Machuk at 339-2261.

By the year 2000, it is estimated that world population will have increased from today's 3.6 billion to 6.5 billion, and that more than half of this increase will take place in South and East Asia, largely in India and China.

## Buck Creek News

A family re-union between the Foster Simpson and Joe Safronovich homes was held recently. On Easter Sunday Mrs. Simpson set her table for 25 members of the family.

The series of card parties held over the winter came to an end on April 9th. At this game Ruth Smestad won Ladies' High and also the Grand Challenge prize for this series, and was presented with a pair of electric scissors. Lud Fremstad won the tool kit for his Grand Challenge prize. Buster MacDonald won Gent's High for the night. Olga Wasser was Ladies' Low for the night and also for this series. Gent's Low for the night was Cy Wager, with Mr. Parker having Gent's Lowest score for the series.

Butch and Pat Smestad and children were recent visitors with their parents at Breton and Buck Creek. Elsie Pyzea and children spent Easter holidays with her parents at the Smestad home.

Kenny Gailey was a happy young man on April 7th, when he won the $140 jackpot bingo.

Donna and Frank Saybel and boys spent the weekend at the MacDonald home. Joyce Stec and family spent a few days visiting relatives in Ponoka recently. Mr. and Mrs. John Stec from St. Francis visited the Gordon Steffenson home recently.

Vicky and Gordon Steffenson and Lil and Bert Roos won a prize in the mixed bonspiel, held to end the curling season at Breton.

Mr. and Mrs. Bjarne Knudskov and boys spent a day visiting with Harry Nielsen. Sylvia and Kirk Hendrix visited the Thirsk home over the weekend.

Recent patients in hospital were Helmut Leuthi, Bernice Thirsk and Marg Whittaker. Mike Safronovich is still undergoing tests, while the others have returned home.

COUNTY OF PARKLAND NO. 31

## APPLICATIONS FOR SCHOOL BUS OPERATION

The School Committee of the County of Parkland No. 31 invites applications for School Bus operation.

The successful applicant will be required to purchase, from the County, a 1970 - Chevrolet - 54 passenger school bus in fairly good condition for the sum of $6,925.00.

The route to be serviced is directly south and east of Stony Plain. The daily mileage travelled is about 71, the route pays about $34.93 per day. This is the route presently serviced by Mr. Clarence Berndt of Stony Plain and the School Bus Number is 303.

Applicants must have a Class "2" Alberta Operator's license and must possess a reputable character and a good driving record.

Completed application forms and a copy of an abstract of driving record should be submitted to the County Office in Stony Plain not later than 11:00 A.M. on Wednesday, May 5, 1972. Application forms are available at the County Office in Stony Plain upon request. The School Committee reserves the right to accept or reject any application.

# Perfect Record By Hoop Team

St. Anthony's Angels girls basketball team, coached by Mr. Pinkoski, ended their hoop season with a 13-win, no-loss record, the best that St. Anthony's has done in a single season.

The 11-member team, captained by Brenda Harris, showed six wins and no losses in their regular league games against Drayton Valley Junior High, Breton and Winfield.

Four wins on March 18 against Stony Plain, Spruce Grove, Entwistle, and Drayton Valley Junior High gave them the County of Parkland Tournament trophy, while two wins on March 25th against Warburg and Thorsby gave the Angels the Pembina Junior High League Tournament.

In their only exhibition game against Niton, St. Anthony's again took the win. Coach Pinkoski feels sure the girls will have just as good a season next year.

# Alder Flats News

The students who managed to stay awake at the 40-hour wake-a-thon are: Susan Shanks, Debbie Wennerstrom, Tommy Maciborski, Kit Robinson, Rod Blades, Greg Hayduk, Geogina Zingle, Trudy Knight, Karen Larsen, Kathy Hammond, Jean Foster, Grant Sluchinski, Reno Maciborski, Monica Schwengler, Barbara Howatt, Wade Patten, Robert Maciborski, Dennis Simon, Bonny Moeller, Karen Schauerte, Calvin Wachter, Danny Nicolls, Randy MacLean, Mary Dunn, Heather MacLean, Janice Melin, Doug MacLean, Sheree Wachter, David Sluchinski, Betty MacQueen, Shane Pye, Terry Pye, Cheryl Bolander, Richelle Maciborski, Wilfred Foster, Tammy Melin, Robin Hansen, Brenda MacLean, Leonard Jeffcott, Brian Bergquist, Doug Hare and Larry Serybalo.

The Mother-Daughter, Father-Son Banquet was held March 20 in the Community Hall with a good attendance of Cubs, Brownies, Guides, parents and guests. The Local Associations thank the Master of Ceremonies, Allen Bratland, who conducted the evening. An introduction of the leaders, Brown Owl, Mrs. Doris Peterson; Tawny Owl, Mrs. Mae Wachter; Guide Captain, Mrs. Joyce Hayduk; Cub Masters Baloo, Mr. Scotty Hare; Rockshaw, Mrs. Agnes Schauerte; and Akela, Mr. Hap Schauerte (absent) was given by Mrs. S. Shanks. Toast to the Queen by Guide Brenda MacLean; to the Founders Lord and Lady Baden Powell by Guide Susan Shanks; to the mothers by Brownie Colette Hammond; and to the fathers by Cub Dwayne Patten followed. Mrs. Velma Capanuik presented thank-you gifts to the ladies who volunteered to serve the International Supper supplied by the cub, brownie and guide mothers.

Guest speaker Mrs. Dykes, Camp Advisor and Ranger Leader from Wetaskiwin, gave an enlightening talk and was later presented a Sunset Pine District pillow by Guide Sandy Sluchinski. Guest Speaker, Mr. H. Allen, Black Gold Commissioner from Wetaskiwin, explained what cubs are all about and their background story. Cub Hal Seely presented Mr. Allen with a pen stand.

Mrs. Bev MacLean presented the Brownie, Guide leaders and District Commissioner with appreciation gifts for their time and efforts working with the girls. Mrs. Schauerte and Mr. Hare presented appreciation gifts to the Cub Master.

Sympathy goes out to Mrs. Romonson and family on the accidental death of her daughter Terry. Mrs. Romanson had moved her trailer from here and they have been living in Canmore for the past several months. The funeral was held at Alder Flats on Wednesday.

The George Maciborski's had a set of Simmental twin bull calves born on their farm about a month or so ago. This same cow had twins four years ago.

Kenny Morton broke his wrist when thrown from a horse recently.

Brian Hansen, Henry Turner and Bill MacQueen flew to Brack Island in the Arctic where they are employed with Hi-Tower.

Mrs. Betty Turner and Johnny flew via C.P. Air to England on April 1st where they will spend a month's holiday visiting friends and relatives.

Jim Capanuik was home for a four day holiday from NAIT. Mr. and Mrs. Jim Capanuik motored to Ponoka on Easter Sunday to visit Mrs. Capanuik's grandpa who is resident in the Rimoka Leisure Lodge. Mr. and Mrs. Max Capanuik and Sheri motored to Edson to visit their son Gary Capanuik and family.

Mr. and Mrs. Gordon Shanks and girls are spending Easter holidays with Shirley's folks at Red Cliff.

Congratulations to Joanne Knight whose wedding to Carl Shultz of Red Deer will take place on June 3rd.

Mrs. Bernice Johnson, Debbie and Denice flew to Fort St. John to spend 10 days at the rig with Harold. Gerry Johnson and Don Maciborsky are home for spring breakup shutdown. Harvey Miller, Chris Olsen and Paul Poudrier are home now on days off.

Mrs. Jean Sergeant, Tammy and Dallas have spent several days with her mother at Lacombe. The children are having their tonsils out in the Lacombe Hospital. Paul and Carol Clemmer returned Sunday from a week's trip to Vancouver Island. Grandpa and Grandma Clemmer kept the children while they were gone.

Carl Janke and Jo Vass went to work at Zama Lake a week ago. The Lawrence Hoflins went to Rosalind for the weekend visiting relatives and seeing their new nephew, born to Gordon and Myrna Orr.

Congratulations to those winning prizes in the mixed bonspiel at Buck Lake, March 21 - 26. Arnold Kellgren's rink placed third in the first event; John Adams' rink took second in the second event; and Bob Wennerstrom's rink placed third in the second event.

Steve Stefura, who is a patient in an Edmonton Hospital, spent the Easter weekend at his home. Other Easter guests at the Stefura home were Victor and Margaret Stefura and family of Leduc and Lloyd and Nora Sederquist of Murreyville, B. C. Diana Stefura spent the Easter holidays with her grandmother Mrs. Stefura.

The fastest national growth rate in the world is in Kuwait - about 8% per annum.

Afternoon Winners won the Marshall Wells Store Trophy: Marg Neil, Lil Roos (missing), Marlene DesBrisay, Diane Dmytryshyn.

# Wetaskiwin Colonels Take League Title

BY DOUG BARNES

The hockey season for Rebels is all over until next October. A very dejected Rebel hockey club was downed 5 - 2 last Tuesday night by the Wetaskiwin Colonels; never-the-less, a pretty good hockey game. The Colonels managed to contain Henry Hodgson and Sam Belcourt -- the high-scoring forwards didn't collect a point in the game, which doesn't happen very often. Jim Feeney and Frank Novosel picked up single goals, Frank's unassisted. We may have seen Frank score his last goal as he is talking retirement. Tuesday's game was not a rough game as everyone was expecting; only six penalties each, two majors, one 10 minute misconduct to Wetaskiwin's Kresanowski, and five minutes for fighting went to Rebel's Gary Pankewicz.

It looked like the Rebels had 150 - 200 fans in Wetaskiwin Thursday night. This has to be great support for a hockey club. Who would expect this many fans to travel again to Wetaskiwin after the disappointment they had the week before, when the game was called off, by the Rebels? Nothing more to report on the hassle last week except Larry Wall will meet with the **A.A.H.A and C.A.H.A. next September.** He apparently could face some **disciplinary action for returning to the Rebels when the season ended** for the Swift Current Broncos.

For next season Henry Hodgson, Frank Roggeveen and Sam Belcourt all indicated they would be back, and we hope none of the rest of the team get transfered or moved out. We will be back with another good hockey team next season.

There are less than two weeks to get your trailer, dishwasher and golf club raffle ticket; also tickets to the wind-up Banquet and Raffle draw to be held April 29th are going fast. I urge you to support this raffle -- without it, the Rebels cannot exist.

This is the last writing until at least next season. I hope it has been informative most of the time, but as you all can see, if I had to make a living out of it I would starve. I would like to thank Ron Smith and staff for the great cooperation throughout the season and again many thanks to our wonderful hockey fans.

Scoring summary for Tuesday, April 11th - Drayton Valley 2, Wetaskiwin 5.

First period, no score. Second period - 1, Wetaskiwin, Soucy (MacEachern-Kern), 2:16; 2, Wetaskiwin, Grayson (Cranshaw) 3:50; 3, Drayton Valley, Feeney (Wiles-Davie) 9:20; and 4. Wetaskiwin, MacEachern (Maciborsky - Greene) 14:40; and 5. Drayton Valley, Novosel 19:12. Third period - 6. Wetaskiwin, Kresanowsk (Schaefer0Shillabeer) 2:08; and 7. Wetaskiwin, Schaefer (Maciborsky) 19:34.

Shots on goal by Drayton Valley 9, 8, 9, 26. Wetaskiwin 13, 9, 11, 33.

# Couple Wed At Tomahawk

On Friday, April 7th at 7:30 p.m. Karen Reich, second daughter of Mr. and Mrs. Rudolf Reich of Tomahawk, and Byron Bustin, youngest son of Mr. and Mrs. Bustin exchanged marriage vows in a candlelight ceremony at the Tomahawk Lutheran Church. Rev. Dale Mohr conducted the ceremony.

Given in marriage by her father, the bride wore a short light blue crepe dress with bead-work around the neck and long sleeves. She carried a white bible with a rose corsage.

Bridesmaid, Sharon Stienke wore a yellow fortrel dress with long sleeves and also carried a white bible and rose corsage. Bill Malka, the groom's brother-in-law was best man, with Marvin Reich, the bride's brother, as usher.

Following the wedding ceremony, a buffet supper and dance were held in the Tomahawk Hall.

For her daughter's wedding, Mrs. Reich wore a long-sleeved colored dress of fortrel. The groom's mother wore a print dress.

At the small reception, David Jouan, the bride's brother-in-law was Master of Ceremonies. The bride and groom will live at Drayton Valley where they are both employed.

**Brightly begins the second century of the Sun.**

Peter J. von Stackelberg

1971 was a record year, with our Company writing over two billion dollars of life insurance.

Nearly twenty billion dollars of life insurance protected Sun Life policyholders at the end of 1971.

In 1972 we are maintaining current dividend scales to individual participating policyholders in North America.

This means that under our system of dividend distribution cash dividends to most policyholders will be higher in 1972 than in 1971.

We shall continue to offer the best possible service and value.

And we shall continue to recognize that good insurance service requires the understanding, knowledge and careful attention to detail of qualified people.

**101st ANNUAL REPORT HIGHLIGHTS**

# Evansburg News

Among the Easter weekend visitors were Mr. and Mrs. Bill Goodwin and family from Duncan, B. C. and Mrs. Anna Otto of the Senior Citizen home at Stony Plain. Mrs. Otto spent Easter Sunday with her daughter, Mrs. Martha Locker, and her son, Mr. I. Otto, and their families, celbrating her 91st birthday.

At their regular meeting, the Legion and Auxiliary members made plans to attend the District Rally at the Montgomery Legion April 22nd. Plans were also made for the V. E. Day dance on May 6th and Legion members invite everyone to attend. The Auxiliary members received their kits to canvass for Cancer during April.

The Pembina Valley Merchant hockey club held a wind-up banquet in the hotel basement. About 40 players, referees, coaches and merchants attended. A presentation was made to Byron Brown by coach Murry Urbshott on behalf of all present as Byron was leaving to take up R.C.M.P. training in Regina. A dance followed at the Legion Hall with music provided by the Law orchestra.

Thirty-five hardy residents went to donate blood at the clinic held at Drayton Valley. Three ladies from Evansburg assisted with the clinic, Mrs. K. Keast, Mrs. H. Van Muers and Mrs. M. Winchell.

The manager of the A.L.C.B. store is very upset at the disappearance of the "penny Begger" jar from his counter.

Julius and Ruth Repchinski, former hotel owners, were visiting in Evansburg recently, and Mike and Hilda Boychuk took over their new hotel at Beesley, Saskatchewan.

At their regular meeting, the United Church Women made plans to hold a Rummage Sale in the United Church basement on May 6 from 10:00 a.m. to 4:30 p.m. Discussion also took place about having the floor in the church done over.

Belated birthday greetings go to Mrs. Johanna Laschinsky, known to most people as "Oma" who had a few friends in for tea to celebrate her 91st birthday. She was born in Opplen, Germany; became a florist; and with her gardener husband had a flourishing greenhouse business. She came to Canada and Evansburg in 1922. Her husband passed away in 1940 but she still resides at the same location with her daughter Annie. Mrs. Laschinsky is still active, is looking forward to spring so she can get out in the garden, and also loves to read books.

Mr. and Mrs. R. Gatzke attended the bingo at the Edmonton gardens recently. Mrs. Gatzke bingoed on the first $1000. game with 18 other bingo players. She lost out on the tie-breaker game and came home with an electric tea kettle as a consolation prize. Better luck next time.

The Kinsmen and Kinette Clubs are busy finalizing plans for their show of their fourteenth anniversary party and dance April 22. Music for the dance will be supplied by "The Rogues Galley."

Several car loads from the St. Elizabeth Parish motored to Carrot Creek for a benefit dance in honor of Mr. and Mrs. T. Day and family who lost all their belongings in a fire recently.

# Couple United in Evansburg Ceremony

On the 25th of March a lovely double-ring wedding ceremony was solomenized in the Kingdom Hall at Evansburg when Irene Louise Mortensen, Youngest daughter of Mrs. R. Mortensen and the late Royce Mortensen became the bride of David Josiah Stewart, second son of Mr. and Mrs. James Stewart. Mr. Arnold Ball of Edmonton officiated.

The bride was given in marriage by her brother-in-law, Mr. Harvey Hickie. Her gown, made by herself and her sister, was of crepe and featured a full skirt, high neck and full gathered sleeves. A large bow was pinned to the empire waist and held her full length train in place. Her veil was held to her head by a silver crown. She carried a cascade bouquet of yellow roses and lily of the valley.

The bridesmaids were Miss Kitty and Carolyn Stewart, both sisters of the groom. They wore identical gowns of deep blue crepe similar to the brides. They carried a single yellow rose and lily nose gay, with ribbon streemers.

Best men were Ken Mortensen, brother of the bride and Doug Stewart, brother of the groom.

Mrs. Agnes Hickie, sister of the bride wore a blue fortrel dress and Mrs. James Stewart, mother of the groom wore a rose patterned fortrel dress. White accessories and a white rose corsage completed their ensembles.

A wedding dance was held that evening in the Park Court Hall. The Ohl Orchestra supplied the music. A lovely buffet supper was served at midnight. Mr. Brian Woods gave the grace. The bridal table was centered by a three tier cake which was baked by the bride's sister, Mrs. Harvey Hickie and decorated by Mrs. Peter Hardman. Tiers of yellow roses interspersed with white hearts encircled each layer and the top held a single rose in a wine glass.

The young couple thanked all those present for attending. They are making their home in Park Court and next day held a small family gathering at which they opened their gifts.

And the old-fashioned flapper who sat around in a short skirt and weird hairdo, holding an old-fashioned in one hand and her love beads in the other, is still with us. Now we call her grandma.

# Wildwood News

The Wildwood Library is pleased to announce that we have approximately 200 new books on the shelves. The library hours are 8:00 a.m. to 5:00 p.m. Monday through Friday (with the exception of Wednesday afternoon), and from 2:00 p.m. to 4:00 p.m. on Saturday, during which time miscellaneous gift items will be on sale. Any donations for bazaar items, such as baked goods, preserves, handicrafts, knick knacks, potted plants, and books will be deeply appreciated by the library board.

Nice to see Mrs. Marie Nykoloyuk home from the hospital, we wish you speedy recovery Marie.

Mrs. Lillian Finner was the lucky lady winning a $60.00 jackpot at bingo last week.

We are pleased to have Mrs. Viola Olesiuk and family living back on the farm north of Wildwood, also Mrs. Ustinovich is back at her home south of Wildwood. We are sorry to hear that Mr. Ustinovich is still in the hospital.

Mr. A. E. Winfield attended a school trustee meeting in Edson on April 12th.

Renovations and ticket room in the Wildwood Community Hall has made a great improvement to the entrance.

Many of the Wildwood men took off to attend the Nasby Auction Sale.

Wildwood Village Council met Wednesday night, main topics of discussion were gravelling alleys, maintenance of streets, and the dog problem. Everyone forgot the Village of Wildwood Annual meeting held on March 30th in the Village Office.

The Recreation Board met Monday evening, the park east of the community hall was discussed with plans for getting the ground leveled with dirt, so any one with dirt to dump contact Mrs. Bill Kalinowski.

The Agricultural Society met in the school library on Wednesday, most of the time was spent planning for the Fair on August 18th, 1972. It is time to start planning for a float to put in the parade.

## REPORT SCHOOL PROGRESS

In the past two weeks the construction of the Grand Trunk High School at Evansburg, Alberta has progressed to a point where the masonry bearing walls are completed in the Industrial Arts, Home Economics, Stage and Ancillary Classroom areas. The steel joist supplier has erected the joists over these areas.

The masons are now concentrating on the block walls in the Business Education area which will enable the steel joists to be erected over the entire south section of the school which will then permit the installation of the steel deck and roofing operations to commence.

The General Contractor has now completed approximately 95% of the grade beams with only 80 lineal feet remaining to be poured. The General Contractor is continuing to haul in gravel for interior backfill.

The Electrical and Mechanical Contractors are keeping up with the pace of the project.

# Girls to Attend Leaders School

Janet Metelski and Cheryl Daviduk, both attending Frank Maddock High School, will be taking part in the Provincial Recreation Leadership School at Drumheller during the month of July.

Janet, sponsored by the Town, will be taking the second year program as she had attended the school last summer.

Her courses will include recreation workshop, arts workshop and social dancing, with options in golfing, tennis, archery, swimming, outdoor education, community crafts, and recreation for the developmentally handicapped.

Cheryl, in her first year with the school, is being sponsored by the Rotary Club. Subjects in the first-year course are: principles and philosophy of recreation, first aid, minor games, square and round dancing, community singing, and fitness, with options in gymnastics, community drama, recreation for the developmentally handicapped, swimming, and crafts for young adults.

Purpose of the Department of Culture, Youth and Recreation sponsored school is to "provide persons interested in leading recreational activities with the opportunity to develop their leadership skills."

Course fees amount to $70 for the month for in province students. To be eligible for the school, candidates must be nominated by the local recreation authority or a community organization.

Those completing their first year receive a Letter of Credit, and second-year graduates receive a Recreation Activity Leader's Certificate.

Linda McGowan of the local recreation office, has also reported that graduates of the school, such as herself, are now being offered a third-year program.

The school will last a week in May at the Alberta Outdoor Education Centre near Hinton and will be concerned with overnight camping, backpacking, camp shelters, environmental studies, nature lore, canoeing, orientation, hiking, and natural science interpretation.

Linda pointed out, however, that the program will only go through if the required number of applications is received. Linda plans to attend if the school opens.

# KNOW YOUR SCHOOLS

This "question and answer" column provides an opportunity for citizens to ask questions about education. If you have any question concerning the schools you are encouraged to send it to "Know Your Schools?" P.O. Box 777, Stony Plain, Alberta.

Q. What are the official names of the junior and senior high schools in Drayton Valley, and how were the names selected?

A. About a year ago the students at the junior high school initiated the idea of naming their school after the late Mr. H.W. Pickup. Mr. Pickup was acting Mayor from 1957-58 and Mayor from 1958-60, again in 1964-67 and from 1969 until his death in January 1970. He was also a member of town council between his terms as Mayor. Mr. Pickup also served his church and community in many ways. In recognition of his outstanding services, he received the Bowl of Hygeia Award as pharmacist of the year in 1967, and the Centennial Medal was awarded to him in 1967 by the Governor General. Last fall, the Drayton Valley Rotary Club decided to promote the naming of the assistance from a number of community organizations. After receiving affirmative replies from the Elks, the Royal Purple, the Canadian Legion, the Legion Auxiliary, and this year's junior high students' union (each classroom voted on the proposal), the Rotary Club sent a letter to the County of Parkland School Committee requesting that the school officially be named the H.W. Pickup Junior High School. Approval was given by the School Committee at its regular meeting on March 21, 1972.

Previously, the School Committee had decided that the new senior high school would retain the name of Frank Maddock High School. Graduates of the high school supported the idea. Mr. Maddock had faithfully served from 1950 to 1968 as a member and chairman of the school division before it became a county. He was present at the official opening of the new school building last January 28.

QUESTION -- Who determines what textbooks are to be used in our schools?

ANSWER -- The provincial Department of Education authorizes most of the references and other instructional materials used in Alberta schools. Each year, however, a number of requests are received from schools wishing to use a reference or other instructional materials which have not been authorized provincially. These references or materials are often superior in quality to ones recommended by the Department of Education. The School Committee has been delegated the authority to approve the use of references and materials which are in addition to those authorized by the province. (Regulations under The School Act, page 106).

According to provincial policy statement relative to Sections 12 and 13 of the School Act, textbooks used in a school system must be either those prescribed by the Department of Education or by the School Committees. Other material may be prescribed by the School Committee. The term "prescribed" here may be interpreted as "recommended", since some teachers may not use textbooks but may use a variety of print and non-print materials. The teacher is clearly responsible to the School Committee for the use of any material.

In the County of Parkland, the School Committee has delegated to the Superintendent of Schools its authority to approve for use in the Schools any references and instructional materials which are not provincially authorized. (Under Section 65 (5) The School Act) The School Committee is kept informed on all local authorizations by the Superintendent of Schools.

COLOSTRUM CUTS CALF LOSSES

You can cut your calf losses by 50 per cent by keeping a supply of colostrum in the freezer, giving extra care to calves from heifers and making sure all calves receive colostrum immediately after birth.

This is the vew of Dr. D. G. Butler of the Ontario Veterinary College in Guelph. He points out that a calf's intestine is most permeable within the first 30 minutes of life, and that it remains this way for approximately two hours. After that, its permeability drops off rapidly until in six hours it is only 10 per cent. It has been shown that at the height of permeability, almost 100 per cent of the antibodies in the colostrum pass directly into the blood stream of the calf. Many farmers erroneously believe that a calf can be given colostrum at any time after birth and develop disease resistance. This simply is not true, says Dr. Butler. He strongly recommends force-feeding colostrum to calves that have not nursed by the time they are two hours old.

Colostrum that is going to be frozen for future use should always be taken from a mature cow. Her colostrum contains five times the level of antibody agents as the colostrum of a two-year-old heifer.

Since a calf that has had a difficult birth will be less likely to nurse than one that has had a normal birth, it needs careful watching and, if necessary, should be force-fed colostrum. Statistics show that 42 per cent of two-year-old heifers have some degree of difficulty in calving and that 20 per cent of three-year-olds and three to four per cent of four-year-olds experience some difficulty in calving.

A. A. Hughes, dairy herd improvement specialist with the Alberta Department of Agriculture, says that cattle producers have long realized the importance of colostrum, but that it is only recently that research has shown how crucial the timing is. The calf must receive colostrum immediately after birth.

FOR THE GARDENERS --

Spring lawn care is a timely subject. A little extra care in the spring will keep your lawn healthy and vigorous all summer.

Remove the dead grass and twigs from the lawn as soon as it is dry. Use a lawn rake, rather than a garden rake, so that you do not need to disturb the roots of the grass. Rake just hard enough to remove debris.

To get the lawn off to a good start apply fertilizer high in nitrogen such as 27-14-0 evenly over the whole lawn, at the rate recommended by the manufacturer.

There will undoubtedly be some cases of snow mold this year. Snow mold has the appearance of a white, grey or greyish-pink cobweb like material that appears in small patches on the turf as the snow recedes. Sweeping with a lawn rake or stiff broom will remove small patches. For bad patches that are likely to kill grass, there are a host of mercuric and non-mercuric fungicides such as Panogen, Tersan ST, Kromand, and Cadminate which can be sprayed on or applied with at watering can.

## Moon Lake Club Plans Calf Tour

The Moon Lake 4-H Beef Club held its sixth regular meeting at the Moon Lake Community Hall on Tuesday, April 11th at 8:00 p.m.

Ralph Johnson and Ricky Cherrington, two of the public speakers, placed in the Public Speak-offs at Tomahawk and will speak in the Seba Beach competition.

Calf Judging Day was held on Tuesday, April 4th at Miko's. Calf Tour is on Sunday, April 16th at 1:00 p.m. The club will start at Lysak's and lunch will be served at Kaptyn's.

A Report was given by Kees Lysak on Showmanship.

## Fallis News

Anniversary congratulations are extended to Mr. and Mrs. Gordon Gunther who have their wedding anniversary on April 18.

A meeting of the Fallis 4-H Food Club was held on April 4th at Bernie Yates' home. Nine of the former members were present for the meeting and the 4-H money was evenly divided amongst the girls. Treasurer Penny McCulloch presented the two leaders, Mrs. Bernie Yates and Mrs. Marj Buchanan with a dress pin each on behalf of the club.

The final Sewing and Lingerie class instructed by Mrs. Betty Sparrow was held Thursday in the hall.

Mrs. Sheila Berry will be instructing crocheting to some new members soon in the hall, so anyone wanting to learn can contact Sheila at the General Store at Fallis junction.

A few of the Fallis curlers attended the Seba Beach High School curling bonspiel and came home with some trophies. A banquet was held for all participating curlers.

A Gun and its Uses class was held in the Fallis Hall recently.

Few of the ladies of the district are attending Weight-Watchers held every Tuesday at Spruce Grove.

Don't forget the Fallis Community bingo to be held in the Hall on April 21, with two jackpots eligible during the first 20 games of bingo. Share-the-wealth will be played after the regular games.

A tupperware party was held in the afternoon at the home of Mrs. M. McCulloch on April 7. Penny McCulloch demonstrated some of the new kinds of tupperware to the ladies who attended.

Mr. and Mrs. Kohanski were recent visitors to the home of Mr. and Mrs. McCulloch.

Roll up your sleeve to save a life...

# Plans Underway for Minor Baseball Season

The local Minor Baseball picture is taking shape for the 1972 season. Plans are being made and organizational work is under way for the coming season. The Oilfield Minor Baseball League held their first meeting of the year last Monday in Warburg. The County of Parkland will hold an organizational meeting at Seba Beach, Wednesday, April 19th. Locally two organizational meetings were held by the Drayton valley Athletic Association during the past week to start the wheels rolling on Minor Baseball.

Tom Hutton the D.V.A.A. President attended the Warburg meeting and Drayton Valley has been invited to enter teams in this league at the Mosquito (8-10 years), the Beaver (10-12 years), the Bantam (12-14 years) and the Midget (14-16 years) levels. The teams in the Beaver and Bantam catagories will certainly be entered here. The Midget entry will dependon the possibility of fielding a team at that age level. As for the Mosquito team, the Association will consider whether or not they want a travelling team at that age level.

We can look for a three team Community League in the Beaver division while the Mosquito Community League will probably involve six teams.

Registration forms are now available at the Recreation Office, the Elementary Schools, the Junior High School, St. Anthony's School and Frank Maddock High School. All interestedparties are requested to register early in order that the program may get going at the earliest possible opportunity.

The register fee is $3.00. Uniforms and field equipment is furnished by the Drayton Valley Athletic Association. All personal equipment including ball gloves are the responsibility of the participating individual.

Minor Fastball for girls will also be offered by the D.V.A.A. this spring. We plan a Community League for girls in the 9 - 12 age range. If a team is fielded at the 12 - 14 year age level they possibly will be playing in the County of Parkland Girls' Fastball League. It is also expected that the Drayton Valley Ladies team will again be involved in the Parkland Ladies' Fastball League as they were last season.

Registration forms for the Girls Fastball program will also be available at the Recreation Office and at all the forementioned schools. Once again register early. The sooner registrations are completed the better the chance to plan and organize a sound ball program.

# Carnwood News

Congratulations to Lynn and Gordon Johnson on the birth of a son, Cody Gordon Malcolm on March 30th in the Whitecourt General Hospital. Also congratulations to the grandparents, Mr. and Mrs. Gordon Johnson of Breton and Mr. and Mrs. Gordon Gillespie of Carnwood on their first grandchild.

Friends, neighbors and relations gathered at the Carnwood Centre where a farewell party was held for Jim and Rose Saunders. A gift of money was presented to them along with best wishes in their new home in Leduc. The couple will be missed as they have taken an outstanding interest in the community and were active in the Country Club, The Royal Canadian Legion and Ladies Auxiliary.

Henry Nixon was one of the many that attended the $10,000 cash bingo last week in Edmonton, but unfortunately was not a winner.

Mr. and Mrs. Ross Tweedle and family visited with Mrs. Tweedle's parents, Mr. and Mrs. Ken Badgerow. Mrs. Henry Nixon and son Heath visited Mrs. Nixon's mother and father, Mr. and Mrs. Lyle Rutherford of Calmar, one evening last week. Visitors at the Gus Lunde home on Easter Sunday were Leonard DeBlocq, Mrs. Lunde's brother; Ester Gillespie; and Maxine and Gary Phillips.

A surprise farewell party was held at the Legion Hall in Warburg for Jim and Rose Saunders on April 6th. The Ladies Auxiliary to The Royal Canadian Legion presented Rose with an electric clock; the Royal Canadian Legion presented Jim with a pipe stand and humidor.

Mr. and Mrs. Gus Lunde accompanied Mr. Brewster and Allen to Edmonton to bring Mrs. Brewster home for the weekend. Mr. and Mrs. Lavern Gillespie visited Lavern's mother Mrs. Selma Gillespie on EasterSunday.

The Carnwood Cloth Cutters met on April 8th for a sewing bee at Barbara Thyre's home in Drayton Valley. Club speak-offs took place in the afternoon. Charles Nixon was chosen from the Junior division to participate in the District Public Speaking at Thorsby on April 14th. Karen Nixon was chosen from the senior division to take part April 15th.

Donna Gillespie of Drayton Valley visited with her parents Mr. and Mrs. Gordon Gillespie of Carnwood last weekend. Selma Gillespie had her granddaughter, Velma Gaunt of Edmonton, spend a weekend with her.

### SUB-MITS
FROM THE ELEMENTARY SCHOOL

Charlie Brown says that "Happiness is a warm puppy." Teachers too have their version of happiness. A quick poll of the staff reveals that the good and unpleasand aspects of teaching enter into the definition of happiness. Teachers as a rule are not fond of supervision. This thought was reflected several times in "Happiness is --

- the end of supervision day.
- a rainy Monday morning and I'm not on supervision.
- the tired feeling at the end of a day of supervision.

However satisfaction of work is also evident in a teacher's definition of happiness, such as "happiness is

- the first day of a new school year.
- happy faces all in a row.
- wading with the kids to see how high you can go before your boots fill up.
- a student who takes the time to say please and thank you.
- a dry playground for children to play on.
- the sparkle of understanding in a child's eye.
- lots of green things
- an eager well-working class.
- being prepared for anything that happens in a classroom.
- students who follow directions and have their finished work at school.
- a student with an enquiring mind.
- a still attentive class on Friday at 3:10.
- the end of the week.
- a well-earned holiday in the summer.

Next week, the students reply.

For registration call Marg Parent at 899-3089.

EVANSBURG BATHING SUIT COURSE

To be held at the Evansburg High School on April 20 and May 4 from 8 - 10. Instructor Betty Sparrow.

FALLIS BATHING SUIT COURSE

To be held at the Fallis Hall on April 27 and May 4 from 1 - 3. Instructor Betty Sparrow.

DRESSMAKING IN-SERVICE

To be held at the Recreation Office in Stony Plain on April 20 from 10 - 4. The session will be on Basic Pattern Drafting. Marilyn Hemsing from Department of Agriculture, Edmonton, will be teaching.

PHYSICAL CULTURE WIND UP

Classes from Edson, Barrhead, Westlock, Sturgeon, Leduc and Parkland will give a final demonstration in Physical Culture on Sunday, April 23 from 1:30 - 3:30 at the main gymnasium at Ross Shepherd High School. Everyone is welcome. Coffee will be served.

FOLK GUITAR LEADERSHIP COURSE

Do you play the guitar and are you interested in becoming an instructor? If so, please attend the in-service on Saturday, April 22 at 10:00 a.m. in Recreation Office, Stony Plain. Bring your own guitar. Carol and Dave Wagstaff will be teaching. Pre-registration is necessary - phone 777-2211.

CHILDREN'S MACRAME SPRUCE GROVE

To be held on Thursdays at the Serplex from 3:30 - 5:00. For registration, Phone Mrs. Deering at 777-4466.

The typical person spends 70% of his waking hours in communication, according to Dr. Paul Rankin of Ohio State University. Writing accounts for 9% of this communication, reading - 16% speaking - 30% and listening - 45%.

## NOTICE

# LEGISLATIVE REPORT

RUSTY ZANDER, M.L.A.

The second week of April has ended, and it is now the end of six weeks of the first sitting of the seventeenth Alberta Legislature.

The week began with routine business in the afternoon, with bills bringing in ammendments to various acts. Mainly housekeeping business, also two non government member bills were brought in for second reading. Bill No. 200, which would fix election days every four years. The other bill pertaining to Expropriation of Family Dwellings for widening of streets in towns and cities although in some cases could be used in road and highway widening. It being a very contentious bill will receive clause by clause study.

The night sittings usually last three or more hours starting at 8:00 p.m. in the evening. This is where the estimates come in for close screening item by item, and at the rate of progress in the past week, it would seem that this sitting may be the longest in the history of the province. The M.L.A.'s will be lucky to get out of the Legislature before mid June.

One other news item for Constituency is that approval has been given by the Department of Agriculture for the placing of a District Agriculturist in the town of Drayton Valley on a perminant basis and also one for Rimbey, it will now be possible for farmers in the western end of this constituency to enjoy this type of service which was so distant before.

We hope that consideration will next year be given to complete paving of highway 12 south of Breton to Winfield Corner, and to join with the pavement North of Rimbey.

We hope that when this session concludes that inspections between the Minister of Highways and the Council members from Leduc and the County of Parkland and myself will be successful in bringing about which roads in this Constituency will receive top priority. Those roads we hope to look at are the Lodgepole road, the Cynthia road, the Buck Creek road and the Gennesee road.

## Unifarm Meets At Tomahawk

The Region 5 Sub-District Convention of Unifarm was held on April 12th in the Tomahawk Hall.

The meeting was conducted by Gaston Jouan, district chairman. Edna Goertz was chosen from the floor to record minutes in absence of the regular secretary who was unable to attend.

All locals were asked to report on activities carried on during the past year. Mrs. Marion Jouan reported for Unifarm women of Tomahawk.

Mr. Gaston Jouan gave a report on the business carried on during the past year in Region 5.

Election of officers, chairman, vice-chairman, and secretary-treasurer. Mr. Jouan had made it known that he would not stand for re-election.

Steve Lysak was elected as new chairman and Velda Jouan is the new secretary-treasurer.

Mr. Ernie Fehrion reported on what Unifarm has done for the farmers in the past year.

Mrs. Maxfield, Director of Region 5 for Unifarm Women, gave a report on what the women in the farm organization are doing.

# Tomahawk News

Welcome back to Cathy Smith, Doug and Debbie. They are back on the farm again and are planning to stay. They have been at Fort McMurray for the past few months. Mr. Smith is to join them soon to settle down to farming.

Art, Lenora and Michael Welk left for Vancouver Island on Friday, March 31st where they visited and stayed with Lenora's grandmother, Mrs. Margaret Berry for three days at Qualicum Beach. They also visited Leona and Toni Pezzot at Qualicum Beach, and Lenora's cousins at Union Bay. They got back on Wednesday, April 5th. Kathy stayed at Gerald Criss' in Edmonton and Vincent and Chris stayed with Emil Richter at Thorsby.

The Tomahawk and District Club had its first board meeting at the Recreation Centre on April 10th with the new board members present and new officers taking over their positions. All the regular business was discussed and taken care of. A committee was selected to meet with the County Councillor to make the necessary arangements to use the school facilities. The Sports Committee made a report on their meeting that afternoon. They decided to have a Sports Banquet and Bingo on April 21st. Admission will be $2.00 and children under six years, that play bingo $1.50. This includes 12 games of cash bingo. $2.00 per game with two $5.00 jackpots. Also very soon there is to be a ball organization meeting at Seba Beach and a coach's and umpires' clinic at Evansburg. Phone Olive Case for these dates. Anyone interested in coaching a ball team or playing ball please phone Olive Case or Alma Schadeck.

There was a meeting at the Tomahawk School on the afternoon of April 11th to discuss forming a Tomahawk Community Band. Mrs. Lene Holgersen, the Parkland Recreation Program Director, was there to offer any help she could. Five people were chosen to be the Tomahawk Band Committee to get things rolling. Mr. Overbo is chairman, John Machuk is vice-chairman, Evelyn Lukaniuk is secretary-treasurer. Alma Schadeck and Frances Piskunowicz are board members. We're arranging to meet with Mr. Pierce at the new Frank Maddock High School theatre on Wednesday, April 26th at 7:30 p.m. for our first try out. We're meeting there as he has the instruments there. Anyone who might be interested, men or women, boys or girls, from grade four up are all welcome. You don't have to know how to play as Mr. Pierce will be teaching anything you want to learn to play. Contact any of the board members if you're interested or for more information.

Congratulations to Tim and Jenny Losey on the arrival of a baby boy on April 7th. His birth weight was 7 pounds and 8 ounces and his name is Rhett Brian.

Mrs. Winnie Martin is in Drayton Valley Hospital at present to undergo surgery. The community wishes a speedy recovery. Hope to see you home soon again and feeling better, Winnie.

# Keephills News

Roy and Betty Tattersall and family from Fox Creek; Fern Tarribain and two boys and Lorne and Vera Draves and family plus Harvey and Frances Draves, all of Edmonton were visiting relations here over Easter weekend.

Ruth and Stan Pledge and family of MacKenzie, B. C. spent Easter weekend here with Ruth's parents, Mr. and Mrs. Roy Schweitzer.

Mabel Bryant of Drayton Valley spent a few days here with her nephew and his wife Della, Mr. and Mrs. Edward Tattersall and visited with friends.

Dannie Raymond returned on Saturday from a week's holiday at Calgary with lots of fun.

Mr. and Mrs. John Melniechuk who moved to Vernon, B. C. last year were guests at Highvale during the holidays.

Neil and Norma[illegible]mond and family of Edmonton were visiting relatives in the district during the holidays.

Mel Edge and Larry Lang of Calgary were weekend visitors in the district at Adrian Vanderwell's.

A niece of Mrs. Raymond and of Mrs. Homme of Burtonsville, arrived on April 10th with her husband Paul and Beverly Streed from Iowa, on their first trip into Canada. They will visit here for only a few days, due to a busy schedule and family at home. Mr. Streed is a Full Gospel Minister.

# CLEAN-UP WEEK
# MAY 8 - 12

BETWEEN NOW AND the week of the 8th to 12th May 1972 all Householders are asked to make a special effort to clean and tidy their yards and deposit the refuse collected in acceptable containers or piles to permit easy pickup by the Garbage Collectors during the clean-up week.

Your cooperation will go a long way to insure that our Town is clean, tidy and attractive. In this way we as the Citizens of Drayton Valley can enjoy better health, better attitudes and better reputations. Our visitors will be encouraged to return by the cleanliness, orderliness, and attractiveness of a well-cared for town. Will you do your share? Let's all do our part NOW!!!

Drayton Valley, Alberta
17 April 1972

W.G. Johanneson
Town Administrator

# Bargain Centre

The Bargain Centre at Drayton Valley would greatly appreciate anyone donating their unwanted articles, clothing, dishes, etc. to the Bargain Centre.

## We do not sell donated articles

With donated articles and surplus from the store we help many needy families that are on our list.

Those that have already donated, will be glad to know we supplied a mother and six children with clothes all winter; clothed a mother and her two year old boy; helped a burnt out family; and parcels to a family, where the father is unable to work, and many others.

Thanks to all that have already been part of this, also to the one that left the clothes on the doorstep April 14th. Also the couple that donated the table and chairs to a family.

We will supply material to any church or organization wishing to make blankets.

We are now making a parcel of sweaters for an old peoples' home.

Do not hesitate to tell us if you know of a needy family.

Thank you.

## TOWN OF DRAYTON VALLEY

# A DOG WARDEN

is required by the Town of Drayton Valley to carry out a program of dog control in the Town as laid down in the by-law concerned.

Interested personnel are asked to contact the undersigned for information regarding remuneration, duties and responsibilities, and qualifications.

Town of Drayton Valley

# Minor Hockey Statistics

Playoffs in the Drayton Valley Minor Hockey House League have been completed and winners have been established in each division. Dowell won the Mity Mites Division, J. & S. Trucking won the Mite Division, Rotary was the Pee Wee winner, L. B. Esso won the Bantam Division and the Junior Rebels won the Midget Division.

The following is a list of players for each of the house league teams and their individual scoring points. Points scored in games played during Minor Hockey Week are included in this list, but playoff points are not included.

# AIR CADET NEWS

On Thursday, April 27th at the Frank Maddock High School Gymnasium, 733 RCAC Squadron will be parading for the dedication and presentation of the new Air Cadet ensign, followed by a ceremony of allegiance conducted by Citizenship Judge W. O. Allen of Edmonton. The ceremony will start at 7:00 p.m.

The Town Band under the direction of Mr. A. Pierce will be playing for this event. Father Lynch will be dedicating the new ensign and M. McCullagh, DFC, CD will present the ensign to the squadron after its dedication.

Mr. McCullagh was on of the originators of 733 Squadron, first Commanding Officer, a position he held for six years; he then changed to Chief Instructor for three years and is now a member of the Air Cadet League of Canada Alberta Provincial Committee. The squadron feels very honoured to have him present the new ensign at this ceremony.

Parents of cadets, all past officers and Civilian Committee members, present Civilian members, members of 733 Legion Branch 269 and Ladies' Auxiliary Branch 269 are cordially invited to attend these ceremonies.

A 100% attendance of enrolled cadets is expected to be on parade in 5A Blues dress on this occasion. The visiting dignitaries will inspect the squadron during this parade, so let's show them just how good we are and that we can compete with any Squadron in Alberta.

Coffee and donuts will be served after cadets are dismissed from parade and the film "Farewell Blues" (20 minutes) will be shown. This film was taken a couple of years ago of cadet activities at a summer camp at CFB Penhold and gives you, the cadet, and parent an idea of the training program at these camps.

733 Legion Squadron Annual Inspection will take place June 8th, at 7:00 p.m. in the Drayton Valley Centennial Arena, followed by Cadet/Parent Banquet in the Legion Hall. It is hoped that this date will be kept in mind and that a good turn out of parents will be on hand for both the parade and the banquet.

The committee extended its thanks to Mr. A. Meier and Mr. J. Courtney for their generous donations of help in preparing the citizenship form requirements.

# Skating Tests Held Saturday

Rocky Mountain House and Drayton Valley Figure Skating Clubs held a combined test day here Saturday, April the 15th. Those who passed their tests were as follows: 4th Figure, Debbie Reid; 3rd Figure, Didier Coppens; and 2nd Figure, Robhin Shimbashi and Margret Hansen.

# Al-Anon Questions

Question -- Is Al-Anon part of Alcoholics Anonymous?

Answer -- Al-Anon is a separate fellowship established to meet the needs of the families of alcoholics, whether or not they are members of A.A. A large portion of the present-day membership is still beset by an active drinking problem. Following the Al-Anon program frequently results in the alcoholic joining A.A. Both fellowships stress anonymity of their members.

Question -- Will Al-Anon show me how to stop my husband's drinking?

Answer -- This is not Al-Anon's purpose, nor is your spouse subject to your control. The alcoholic will stop his drinking only when he deeply desires to. But Al-Anon will help you to change your attitude toward your problems and reduce your anxieties and frustrations. A growing understanding of your husband's problem may lead him, as it has many other alcoholics, to seek information or help far sooner than he otherwise might have done.

Question -- Will Al-Anon held me convince my husband that he is an alcoholic?

Answer -- There is no purpose in trying to convince him; although they do not admit it even to themselves, most alcoholics know they have become slaves to the bottle.

Your challenging, blaming or pleading is likely to create hostility and delay his getting help.

An understanding attitude on your part will do far more to make him want to seek help for his problem. If he does show interest in getting help, reading material on this subject is available from a local Council on Alcoholism or from Alcoholics Anonymous.

Question -- Will Al-Anon improve our home life?

Answer -- It almost invariably does accomplish just that. It take away many causes of friction, helps you live day by day, deepens your reliance on whatever Higher Power you acknowledge.

Question -- Does Al-Anon offer help to the children in the family?

Answer -- Yes. Alcoholism is rightly called "the family sickness." Children will be quick to reflect the improvement in their mother's or father's attitude which will help them understand and lose their sense of shame about their parent's problem drinking.

# Natural Gas Sales Up 11%

Natural gas sales in 1971 by Northwestern Utilities, Limited of 117.6 billion cubic feet were reported recently in the company's annual report to shareholders. This is an increase of 11 per cent over 1970.

Revenue from natural gas sales was $35,519,000, an increase of $2,563,000. Operating expenses including depreciation of property and income taxes, were $29,346,000 in 1971, an increase of $2,440,000. Expenditures for natural gas purchased amounted to $11,862,000, an increase of $1,455,000 over the previous year.

Net earnings from operations were $4,466,000 compared to $4,182,000 for the previous year, equal to earnings per share of $2.38 compared to $2.21 in 1970.

The largest customer increase in the past thirteen years, and the third largest in the company's history, took place in 1971. A total of 6,300 customers were added during the year. Most of the company's capital program of $5,313,000 was devoted to connecting them.

In 1972 the company forecasts connection of 5,200 new customers. Capital expenditures, forecast at $8,100,000, include a number of major extensions to the company's pipeline system as well as the connection of the new customers.

Snow melts, pavements dry, and the skippers make their appearances everywhere.

# Weekly Livestock Report

Receipts slightly higher. Sales this week were largely replacement classes and cows with a fair offering of slaughter steers early in the week. Trade generally active throughout on all classes. Slaughter steers fully steady to firm with top quality selling about 25 higher. Butcher heifers sold steady. All grades of cows 50 - 1.00 higher. Replacements unchanged. Veal 2.00 higher.

SLAUGHTER CATTLE

Steers: Choice 34.50 - 35.25, good 33.50-34.50, medium 31-32.

Heifers: Choice 32.50-33, sales to 33.50, good 31.50-32.50, medium 29.50-31.

Cows: Good 26-27, sales to 27.50, medium 25-26, canners and cutters 21.50-23.50, shells 17.50-20-50.

Bulls: Good 26.50 - 29.

REPLACEMENT CATTLE AND CALVES

Good feeder steers (575-750 lbs.) 36-42, (750 lbs. & up) 34-37.50, common to medium 30-35.

Good feeder heifers (575 lbs. & up) 30-36, common to medium 25-31.

Stock cows 20-26.

Good stock steer calves (300-400 lbs.) 45-50, (400-550 lbs.) 40-45, common to medium 33-40.

Good stock heifer calves (300-550 lbs.) 35-41, common to medium 28-34.

KILLING CALVES

Good to choice veal (300 lbs. & under) 50-56.

Good to choice butcher calves (300-450 lbs.) 42-48, (450 lbs. & up) 33-40.

HOGS

Edmonton Stockyard (E.S.Y.) butcher hogs ranged about 50 lower this week selling from 27.35-27.80 base price. Sows 21.10 dr.wt. Boars - good boars $10.00 - $17.75/cwt. depending on weight and quality. Overfinished heavy, light, thin and rough boars $2.00 to $10.00/cwt. 800 feeder hogs sold Tuesday and Thursday afternoon ranging from $30.00 per cwt. for 90 lb. feeders down to $23.50 per cwt. for 150 lb. feeders. Weaners and light feeders ranged from $15.50 each for 30 lb. weaners to $28.75 each for 85 lb. feeders.

SHEEP AND LAMBS

Good to choice feedlot lambs $30.00/cwt. 75 lb. feeder lambs $23.00/cwt.

COUNTY OF PARKLAND NO. 31

## APPLICATIONS FOR SCHOOL BUS OPERATION

The School Committee of the County of Parkland No. 31 invites applications for School Bus operation.

The successful applicant will be required to purchase, from the County, a 1969 - Ford - 54 passenger school bus in fairly good condition for the sum of $6,725.00.

The route to be serviced is north and west of Devon. The daily mileage travelled is about 52 and the route pays $28.54 per day. This route is presently serviced by School Bus Number 904, operated by the County of Parkland No. 31.

Applicants must have a Class "2" Alberta Operator's License and must possess a reputable character and a good driving record.

Completed application forms and a copy of an abstract of driving record, should be submitted to the County Office in Stony Plain not later than 11:00 A.M. on Wednesday, May 5, 1972. Application forms are available at the County Office in Stony Plain upon request. The School Committee reserves the right to accept or reject any application.

CONTINUING INTERIOR DECORATION
Use of Paint

The simplest and most economical method of obtaining color is with paint. With patience, anyone can learn to apply it and though mixing colors is a tricky business, you can get the paint dealer to do it for you after selecting your color from the paint chips many manufacturers provide. Before painting, there is the filling of cracks and sanding that has to be done, but the time spent on this will pay off in results. Scuff sanding between paint gives the surface tooth so the paint has a grip on the surface. How many of you have selected a color, painted with it, only to find it is not as you expected? This seems to be the greatest hazard, but may be avoided by painting samples in dark corners, where the colors reflect in bright sunlight and under electric lights.

Paints are divided into two main groups - water-based and oil-based. The latex paints are the most popular of the water based paints due to its non-inflammability during application, its easy to clean-up since water is the thinner, ease of brushing on, dries rapidly and has little "paint odor". Latex paints are available in the flat, satin, and semi-gloss finishes. There is a problem with cleaning latex painted walls because they are water soluble. The oil paints used today are primarily of the flat type. They are quite flat and hide well and give more coverage than latex paints. There is an excellent brush and roller cleaner available on the market now for the cleaning of oil based paints.

The alkyd paints in low gloss enamels can be formulated to withstand washing almost as well as oil based paints. Most gloss and semi-gloss enamels require primer-sealers or undercoats before application to plaster or wood.

GOES WITH ANYTHING:

How often when working with color schemes in a home do we settle for "apartment-off-white" because it goes with everything. Too many people are afraid of color. The illustrations in books and decorating magazines show rooms of great beauty, color-coordinated by professionals. Most of the articles in the room are extremely expensive, yet anyone can afford a color scheme.

BUILDING A COLOR SCHEME

A good way to build a color scheme is around a printed fabric, rug, wallpaper or painting. For example, let us take a drapery fabric which has a pale green background, with blue flowers, dark green leaves, and touches of beige and yellow. What you could do is match the walls to the background color, the green in the leaves could be used in the rug, large pieces of furniture could be upholstered possibly in blue and the smaller one in the print or in a blue and green stripe. By adding contrast with yellow cushions and accessories you would achieve a nice color scheme.

Generally, one places the darkest color on the floor, the next lighter on the walls, and the lightest on the ceiling. The largest areas in the room should be in the palest shade, whereas the strongest color used in small quantities as an accent. Long ago, white plaster walls were hurriedly concealed but today, it is the perfect foil for the bright colors of modern furniture. It is what makes a green and white room look fresh and clean, a yellow and white one seem filled with sunshine, and a black and white or red and white room appear dramatic and exciting.

# Oil Wives Hold International Night

Oilwives held their International Night on Monday, April 10. with 70 members present and three guests. The Friendship Candle burned throughout the meeting as a reminder of the clubs purpose - to foster friendship.

The executive gave its reports and Gil Hasenclever read the clubs history which she so ably compiled for the Historian of the Board.

Kay Meraw, Board Member, spoke during our meeting. We were sorry to hear of Kay's resignation from the Board which will become effective in October.

Betty McGee was nominated for a position on the Board and we are pleased she accepted.

Lil Ross led some Oilwives in a song that she had composed for the Oilwives' Board. Lil also showed the plaque she had received in appreciation for the song. They also sang the campaign song used for Kay.

The meeting ended with Myrna Townsend interviewing the executive.

Mr. Neil McDowell, Director of Counselling and Special Education for the County of Parkland gave a most informative talk to the Oilwives.

It is not too late to submit names for Honorary Members.

The next executive meeting will be at the home of Iris Diachuk on May 2nd at 8:00 p.m.

# 4H Speak-Off At Tomahawk

Wednesday, April 5th the Tomahawk 4H Beef Club held its club speak-off's in the school auditorium. Mr. J. Overbo was the judge.

Participants were Anita Parfeniuk, Randy Jabs, Brent Bauman, Lori Mae Ditchuk, and Pauline Piskunowicz. Pauline Piskunowicz was chosen to represent Tomahawk in the junior section in the semi-finals.

Tomahawk and Moon Lake 4-H Beef Clubs hosted the Western Division Semi-final speak-off's on April 8th in the Tomahawk Community Hall at 8:00 p.m.

Cheryl-Ann Ditchuk was the chairman for the evening.

Judges were Darwin Park, Leslie Miller, and Shirley Laton. Randy Medd was the time-keeper and Marion Medd was the teller.

In the Junior Section were Pauline Piskunowicz, Tomahawk 4-H Beef Club; Ricky Cherrington, Moon Lake 4-H Beef Club; and Connie Welsh from the Sundance 4-H Garden Club. Ricky Cherrington placed first; Connie Welsh second and Pauline Piskunowicz third.

In the Senior Section there were only two participants, Ralph Johnson, Moon Lake Beef Club and Wilma Charlotte, Sundance Garden Club. Ralph Johnson placed first and Wilma second.

Darwin Park announced the winners and made a few comments on how the speakers could improve their speeches.

Norman Johnson presented the trophies and gifts to the participants. Coffee and doughnuts were served.

The finals were held April 15th in the Seba Beach Auditorium at 8:00 p.m. It is worth going to listen to these young folks get up before an audience and deliver a speech on which they have spent many hours of preparation. Good luck to you young folks.

Only part of us can learn by other people's experiences. The rest of us have to be the other people.

## Roy Herold Passes at 82

Roy Franklin Herold of Rimbey, Alberta, passed away April 17th at the age of 82 years in University Hospital in Edmonton.

He leaves to mourn his loss his wife, Isa Raylen; two sons, Joe of Fox Creek, and Ben of Drayton Valley; three daughters, Mrs. Madge Melling, Mrs. Mary Orelman, and Mrs. V. (Bunny) Tearson, all of Calgary; one sister, Mrs. Alice Radar of Tendleton, Oregon; two brothers, Peter of Calgary and Ernest of Hanna; 24 grandchildren, and 24 great-grandchildren; predeceased by son Roy in 1943.

Funeral services will be held April 20th at 1:30 p.m. in the United Church of Rimbey with Rev. Devries officiating.

Roy Herold was born May 13, 1889 at Parkersville, Missouri, pioneering to Castor, Alberta by himself at the age of 15 years from North Dakota. In 1909, he homesteaded 21 miles south of Coronation. He joined the Canadian army in the first world war, and was posted in Siberia, Russia.

On his return, Mr. Herold spent one year in hospital, then returned to his homestead. In 1935 he moved to Rimbey district, where he farmed until his retirement in 1962.

He was an active member of the Bentley Canadian Legion and was a great race-horse fan. He was known as the oldest race-horse groom in Canada to own a license. Known throughout Alberta, he will be missed by many friends and relatives.

## Some Clothes Still Needed

The clothing depot, open every Wednesday afternoon from 1:00 to 4:00 p.m. in the town hall basement, has been quite busy in the last month. People from as far away as Fallis to the north, west to Lodgepole and east across the Saskatchewan River have come.

Some people do not know who the Christian Social Action ladies are trying to assist. Basically, it can be said they seek to provide used clothing for any family of four or more whose take home pay is $400 a month or less. However, we are happy to assist any one who is in need of clothes due to any sudden emergency, such as unemployment or fire.

Families who come to the depot for assistance can, if they wish, bring clothing that their family has outgrown, thus continue the services.

The ladies were fortunate in having Mr. Kaarsmaker and Mr. Dahl take most of the extra clothes to the Salvation Army in the city. However, it will not be long before another shipment will be ready to go.

The depot receives a fairly constant supply of good used clothing and household articles. There is a need for clothes (pants, shirts, blouses) for children under 12 years. Men's jackets are practically non-existent at the depot and of course ladies clothing large size, (20 or over) is always needed.

## Final Whist

The final whist drive for the season, sponsored by the Ladies' Auxiliary Branch 269, was held April 16th.

Ladies' high was won by Audrey Schmidt; Ladies' consolation, Kay Reich; Men's high, Linda Thompson; Men's consolation, Manuel Reich. Ladies' high for the year was Ruth Berry; and for the men, Ivan Dahl.

### THE CHRISTIAN COMMUNITY OF ST. ANTHONY'S & ST. THOMAS
REV. EDWARD J. LYNCH

"SUNDAY" MASS - Drayton Valley - Saturday 7:00 p.m.
- Sunday 10:00 a.m.
- Tomahawk - - Sunday 11:30 a.m.
MARRIAGES - 6 months notice for ecumenical couples
6 months notice for Catholic couples not attending Church regularly
The greatest amount of broken marriages and divorces occur among the ill informed, the immature and the overindulged. Let us give as much significance to the obtaining of the degree "Mr. and Mrs." as we do the academic bachelor's degree "A.D.S."
BAPTISMS - 3 months notice.
Kindly notify the Pastor during 6th month of pregnancy

# THANK YOU

We would like to thank our children, relations and friends who attended the 25th Wedding Anniversary in our honor on April 9th. Special thanks to our children, Claudette, Doris, Bill and Victor for organizing this wonderful party, it will always be fondly remembered.

Bert and Rita Demers

We would like to say "Thank You" again to all our friends, neighbors and relations for the lovely party and gifts presented to us at Whitby, April 8th. The party was enjoyed and the gifts very much appreciated by -

Yours sincerely,
Earl and Ella Kelly

I would like to thank Dr. Lewis and all the nursing staff of the Drayton Valley hospital for being so kind and good to me while I was in the hospital. Also to all my friends and neighbors for visiting me and for all the cards and flowers which I received.

Mrs. Hilda Dusterhoft
Drayton Valley

COUNTY OF PARKLAND NO. 31

The lowest or any tender will not necessarily be accepted.

O. W. SCHUSTER
Secretary-Treasurer
County of Parkland No, 31
Stony Plain, Alberta

# IN MEMORIAM

In loving memory of my loving husband, John, who passed away April 22, 1970.

My lips cannot tell how I miss him,
My heart cannot tell what to say.
God alone knows how I miss him
In a home that is lonesome today.
Ever remembered
Paulina Harasymchuk

In memory of John Harasymchuk who passed away April 22, 1970.

Gone dear father, gone forever
How we miss your smiling face
That you left us to remember
None on earth can take your place.
A happy home we once enjoyed
How sweet the memories still
But death has left loneliness
The world has never fill.

Ever remembered by his daughter and son-in-law, Sally and Bill Kaczor and Family.
